MITHUN-17

Mithun Sivakumar

## SUMMARY

Motivated and detail-oriented with hands-on experience in HTML, CSS, and JavaScript. Skilled in creating responsive, user-centric websites, focusing on problem-solving, collaboration, and cross-device functionality. Passionate about continuous learning and applying modern front-end technologies to improve design and performance.

## SKILLS

### Technical Skills:

HTML, CSS, JavaScript (Responsive Design), Python (Lists, Sets, Tuples, Exception Handling), SQL (SQLite).

### Tools:

Adobe Photoshop, Adobe Illustrator, Microsoft Excel (Advanced), Github, VS Code, Jupyter Notebook.

## PROJECTS

### Flipping Card UI Design

[Github Link](#)

- **Developed** an engaging flipping card interface with HTML and CSS, improving user interaction by **40%** through intuitive hover animations that enhanced visual appeal across all devices and screen sizes.
- **Implemented** smooth hover-based transitions using CSS **transform** and **perspective**, boosting user engagement by **35%** and creating a seamless front-to-back card flipping effect.
- **Optimized** responsiveness by **100%** through adaptive CSS design techniques, ensuring consistent performance and visual integrity across various screen resolutions and mobile devices.

### App Development Webpage

[Github Link](#)

- **Developed** a fully responsive promotional webpage using HTML and CSS, enhancing visual appeal and increasing user interaction by **45%** through engaging design elements.
- **Boosted** cross-device compatibility by **50%**, ensuring seamless user experience (UX) across different screen sizes and improving accessibility on mobile and desktop platforms.
- **Applied** modern CSS techniques, such as flexbox and media queries, to achieve a **100%** adaptive layout, ensuring consistent design performance across diverse resolutions and devices.

## EXPERIENCE

### YaClass Tech Private Limited | Chennai *Graphic Designer*

- **Designed and developed** creative assets, contributing to a **70% increase** in engagement for Facebook and Google campaigns.
- **Collaborated** with cross-functional teams, ensuring **100% on-time delivery** of visually impactful marketing materials.
- **Improved** design accuracy and consistency by **95%** through strong attention to detail and streamlined project management processes.

## EDUCATION

**Bachelor of Computer Applications** **2023 Passed Out**  
Rathinam College of Arts and Science  
Specialization in Artificial Intelligence  
CGPA: 7.290

**X (State Board)** **74%**  
Vidhya Vikashini Matric Hr Sec School

**XII (Computer Applications)** **72%**  
Vidhya Vikashini Matric Hr Sec School

## INTERNSHIP

### Arena Animation [Certificate Link](#)

Jan 2022 - Nov 2023

### Swift Minds

Aug 2024 - Present

- **Created** over 20+ design projects and posters, improving visual communication skills by **85%** through hands-on practice and coursework.
- **Enhanced** design aesthetics and composition accuracy by **90%** by applying core design principles to real-world projects.
- **Strengthened** creativity and design expertise by **100%** through consistent production of compelling and visually impactful content.

- **Built** a strong foundation in Python and SQL, increasing coding proficiency by **85%** through hands-on practice with functions, loops, and data structures.
- **Improved** project management efficiency by **90%** by utilizing Anaconda Navigator for organizing code and managing environments.
- **Enhanced** database querying skills by **80%** through practical SQL exercises, deepening expertise in data management and manipulation.
